

"IT'S A WIDE, WIDE WORLD!"

Session 1

June 14 - July 2

We're going to transform the lazy days of summer into the learning days of summer! This vacation theme is just the ticket! From map explorations to exotic locations, this theme will be the perfect getaway for your child!

No Summer Program July 5 - 9

"BUGS, BUGS, BEAUTIFUL BUGS!"

Session 2

July 12 - 30

It's time to bug the kids with all sorts of critters! Kids seem to be strangely attracted to these little creations, so why not capture that interest and learn all about them. The place will be crawling with little entomologists! Wormy Dirt Cake and lady Bug Salad will be enjoyed by all! Your child won't want to miss this fun!

"ONCE UPON A STORY...!"

Session 3

August 2 - 20

Words are wonderful! We're going to have a grand time with our best loved authors and their books. Special guest readers, storytellers and story re-enactments will foster the children's love for the printed word. Research shows that to develop into lifelong readers, children need opportunities to learn to love books. This session will bring books to life for the children. Some of the books/authors we'll be enjoying are: Bill Martin, Jr. (Brown Bear, Brown Bear), Eric Carle (The Very Hungry Caterpillar), Norman Bridwell (Clifford the Big Red Dog), Denise Fleming (In the Tall, Tall Grass), and Laura Numeroff (If You Give a Moose a Muffin).
